Entitle has filed a comprehensive response which includes a set of exhibits with what appears to be at least 200 pages of documents. Given the complexity of Entitle's opposition memorandum and the volume of exhibits presented by Entitle that Government counsel must review before he can prepare an adequate response, that task cannot be completed in the one day that Government counsel has left to him since learning of the Government's filing deadline for its reply memorandum on August 12th. Government counsel has spoken to Alan Doran, Executive Vice-President of Entitle Group, and he has given Government counsel permission to inform this Court, through this motion, that he consents to this motion.

This motion is not submitted solely for the purpose to delay or for any other improper purpose.

WHEREFORE, the United States moves this Court to grant its motion to extend the time for the United States to file its reply memorandum an additional thirty (30) days; or until September 4, 2013.
